

Veterinarian Doctor

CAMBODIA
JOB DESCRIPTION
JUNE 2024

Every life matters

Mission

At Animal Mama Veterinary Clinic, our mission is to provide comprehensive and compassionate veterinary care that promotes the health and well-being of pets while nurturing the human-animal bond. We strive to be a trusted partner in the lifelong care of animals, offering exceptional medical services, education, and support to pet owners in a welcoming and nurturing environment.

Values

Compassionate Care

We deeply value the welfare and happiness of every animal that comes through our doors. We approach each patient with kindness, empathy, and respect, ensuring their physical and emotional well-being throughout their veterinary experience.

Excellence in Medicine

We are committed to providing the highest quality medical care to our patients. Our veterinary team comprises skilled professionals who stay up-to-date with the latest advancements in veterinary medicine, ensuring that our diagnostic and treatment approaches are cutting-edge and effective.

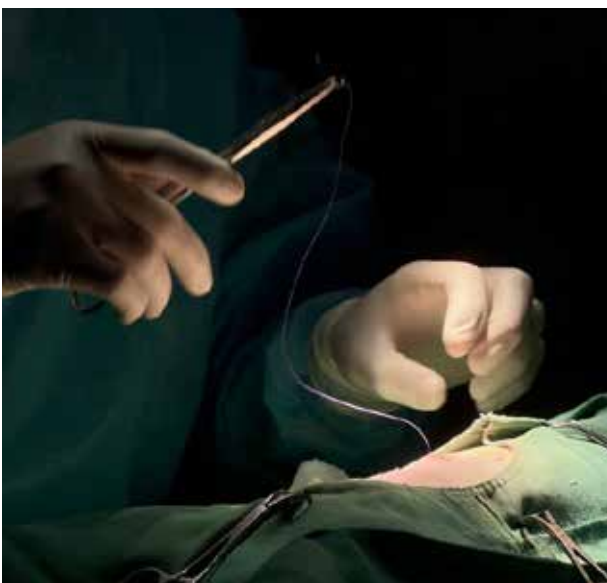

Collaborative Approach

We value collaboration and maintain strong relationships with local specialists, referral centers, and animal welfare organizations. By working together with a network of experts, we ensure that our patients receive comprehensive and multidisciplinary care when needed.

Why Animal Mama?

"We pride ourselves to be the best-equipped animal hospital in Cambodia, with a state-of-the-art medical equipment, such as Digital Video Endoscope, Digital X-Ray, Digital Veterinary Ultrasound, Digital Microscopes, Brand New Hematology and Biochemistry machines, Veterinary Information System, Gas Anesthesia Machines, Digital Veterinary Immunoassay Analysers, Infusion Pumps, Advances Dental machines, and everything else that you. Would expect from a Golden Standard Professional practice. We humbly say that we are indeed a one of the kind animal hospitals in Cambodia and our clients and staff agree."
